Alfred& what a dream trip to Japan for one of our travel experts looks (and smells) like.

By Claire Ross, General Manager and travel junkie at Alfred&, the new tailor-made travel company to Asia from Kuoni.

Putting together the itinerary for our ideal tailor-made holiday is something we travel experts at Alfred& absolutely love doing. Though not as much as going on the trip itself. But I hope you'll feel the same way I do about this itinerary for two weeks exploring Japan.

On this trip, I want to get under the skin of Japan's culture and traditions. My journey absorbs the varied pace of contemporary Japan: from the soft blooming of cherry blossom in the Kanazawa gardens, to the neon-hued high-adrenaline buzz of Tokyo, to the haunting stillness of Hiroshima.

So here's my itinerary. I'm getting goose-pimples just thinking about it.

My dream Japan itinerary

Day 1 A warm Japanese welcome at Tokyo airport and driven to the hotel

Day 2 Guided through the shrines and temples of Asakusa. Then some world-class shopping

Day 3 Privileged access around the world famous Tokyo fish market, then sushi and Shinjuku nightlife

Day 4 Bullet train to Hakone, views of Mount Fuji and a soak in a thermal bath before a zen dinner

Day 5 To historic Takayama and a traditional Japanese ryokan complete with hot-bath spring

Day 6 A stroll through Miyagawa morning market, tasting street-food specialities as you go

Day 7 Discovering the traditions of Shirakawa-go, 250 years old and still relevant today

Day 8 Leisurely exploration of the tranquil shrines of Kanazawa, set in its world famous gardens

Day 9 Hiroshima's heartrending peace memorial followed by its pulse-quickenng metropolis

Day 10 A ferry hop to Miyajima – the humbling gentleness required after the day before

Day 11 Kyoto by bullet train and a fun Japanese cooking class in the afternoon

Day 12 Getting up close and personal to the temples, gardens and markets of Kyoto

Day 13 Be guided round 8th century Nara to see the world's largest wooden building and see sake being produced

Day 14 Last strolls around Kyoto before saying sayonara at Narita International Airport

If you book by 9th March, the guide price for this itinerary is £6899* per person including flights — a saving of £729 per couple.
